

Faith Works! Weekend

Revelation Ranch

Letcher County, Kentucky

October 19, 20, 21, 2012

Revelation Ranch is a non-profit, non-denominational children's equestrian ministry in Appalachia. We show children God's love through the beauty of the mountains and the friendship of his creatures.

Have you ever seen faith move a mountain? Coal-mining Letcher County is faced with difficult times, and God has called the Ranch to move to a permanent self-sufficient location.

This Fall, we need the help of workers who will give faith hands and feet.

A thrilling weekend is planned with:

-Fall Color in the Mountains by God

-Live Music by Local Artists

-Home Cooking by Caring Church Members

-Work Teams

-Giftmaking Workshop

-Sign Language Lessons for Children

-Witness by Revelation 22 Drama Team

-Cowboy Church—Outdoors, All Creatures Welcome!

Giftmaking Workshop fee \$50.00. No charge for workers. Kentucky Wildflower Seed Gift Packets presented to all workers. All donations to the Revelation Ranch Building Materials Fund gratefully accepted. Guests are welcome to stay at a local campground, sleep overnight at Isom Presbyterian Church, or make their own lodging arrangements.
